Are You Returning to Sequim After a Winter Away?

If you turned off your water for the winter, you'll need to arrange to have it turned back on. Please call the City of Sequim two days in advance of your expected date of return to arrange for us to meet you at your home to unlock your meter. In case a leak developed over the cold winter, we do not want to turn on your water when no one is home.

Spring Pruning For Safety

In order to maintain an attractive and safe environment, citizens are reminded that any landscaping on your property must be maintained to allow for safe passage of vehicles or pedestrians on sidewalks, roads and alleys. Shrubs, bushes and trees need to be trimmed to allow for full use of the sidewalk and visual sight clearance for vehicles. Property owners located on corner lots cannot have bushes, fences or other items over 42 inches in height within a 15 foot radius of the corner of their property.

If you have questions or concerns, please contact the Code Compliance Officer at 360-683-4908 or email at lhopper@ci.sequim.wa.us. Sequim Municipal Codes can be reviewed at www.ci.sequim.wa.us.
